Al Husnaa because names are from Wahy.

2 extremes

- 1. School of theology they tried to use the mind to come to knowledge of Allah.
- 2. Sufism- arrival to Allah, they froze the mind and claimed to have sufi revelation(kashf)

A-raaf 23

describing Allah with names

- 8. All Allah's names are from the Muhkaam/ clear meaning, not majhool(the meaning i.e. not unknown) except the kayf(the How)
- 9. It is impermissible to derive a name of Allah from an attribute that is used in a particular situation.

e.g. Allah mocks at the hypocrites.

Al Mustahzib- the Mocker- there is no such name; it is unrestrictedly used(i.e. the attribute), so it is a perfect attribute(mocking), but a name is not derived from it.

Allah makarah(plotted) against those who wanted to kill Jesus.

Makarah(plotting) has a negative meaning.

So, in general, it is not an attribute of Allah, but in specific unrestricted use, it is His attribute.

Exact retribution from the mujrimun Ibrahim 14:47

Allah is All Mighty, All Able of retribution. Surah Al A-raff Verse 33

- 8. Modern day monks(and practitioners of abstemiousness) can sometimes be found in cities and towns.

Bonus Chapter 2

'Uboodiyyah: Beyond Temporary Friendship

All praises be to Allah and salutations and peace be upon the Prophet Muhammad, His Family, His Companions and all those that follow him until the day of Judgement

To proceed

1. If you don't let go to worldly love, you'll never know which relationship is meant to be permanent, and which was meant to be temporary; for the good of yourself.

Take the example of Prophet

Ibrahim(upon him be peace and
Salaam):

The important thing(wa Allahu
A'laam/ and Allah knows best) is that

Allah wanted

Ibrahim('aleihimussalaatu wa salaam/ upon him be peace and Salaam) to sacrifice the love of his son from his own heart.

Like the story of the 2 sons of
Adam; Allah wanted to see who
would part from the dunia/worldly
life from their hearts(wa Allahu
A'laam/ and Allah knows best), by
giving their best possessions i.e. the
crops

Allah is Assamad(He is in need of noone/nothing, but all are in need of him).

So the conclusion is that Allah wants us to go to Him with Qalbun Salim(a pure heart).

May Allah allow us to live and die with Qalbun saliim(a pure heart)

May Allah guide us all Ameen

Bonus Chapter 3

Spiritual Levitation 2: The Other Side of Abstemiousness/ Zuhd

All praises be to Allah and salutations and peace be upon the Prophet Muhammad, His Family, His Companions and all those that follow him until the day of Judgement

To proceed

- Never let go of your(correct)
 religious principles
- 2. The enemies surrounding you(i.e. Shaitan/ satan and dunia/ the seeming glitter of the world) (and within you, (i.e. your hawa/ desires and nafs/ your lower self) are always ready to launch attacks. Be vigilant(i.e. by supplicating to Allah always), be informed(i.e. seek knowledge) and be ready(for the ongoing spiritual battle/ warfare) and

on guard(by beseeching Allah's assistance, refuge and rescue)

- 3. Sometimes you have to let go of certain things, for a new chapter if your life to begin
- 4. Whatever is with Allah(by His protection)/ Everything that is withAllah(by His protection) is never lost
- 5. It is at that breaking point, when you literally(and metaphorically)

feel that you are fast-approaching rock bottom(or anguish is about to set in); that is the time to supplicate for all the good that you wish for.

Then wait for the miracles that shall follow(only by the will of Allah)

6. Always ask for Allah's bounties/
favours upon you(, whether you
hear the cockerel crow or not)

Bonus Chapter 4

Introduction to Pre-destiny: The Sea Without a Shore

All praises be to Allah and salutations and peace be upon the Prophet Muhammad, His Family, His Companions and all those that follow him until the day of Judgement

To proceed

4 Parts to the Qadar(Pre- destiny of Allah)

1. Al 'llm(knowledge)

That Allah knows everything that was, everything that is(now), everything that is going to be/ that will happen(in the future), and also things that **if they were to**happen, how they would happen.

2. Al Kitaabah(The writing)

That Allah instructed the pen to write all the things that will happen(till eternity- And Allah knows best), 50, 000 years before the creation of the Heavens and Earth.

3. Mashi a(Will)

That everything happens by the will of Allah.

That we also a will, but ultimately, it is still under the will of Allah.

'Aml(Action/ Deeds)

That Allah created/ creates everything, including our actions.

Bonus Chapter 5

Knowing Allah Part 2

The Names of Allah have influence in the hearts that know of Him.

The state of shyness of Allah will increase.

When a person sins, his heart is free of imaan at that time.

Ibn 'Abbaas: Like this(imaan is taken away) he meshed his hands together then separated them, then he said; when he repents, his imaan returns, (then he meshed his hands together again)

Maa lakum laa tarjuuna lillahi wa qaara; What is the matter with you that you don't return back to Allah(and don't give Him the proper estimation)

Those who sin against

Allah(don't believe in Allah properly)

don't have the proper estimation of Allah.

Chapter 39 Verse 36

Is not Allah sufficient for His slaves.

They try to frighten you with those they worship besides Allah.

If a slave gives Allah the proper estimation, he will have awe/ fear, which will keep him away from sin.

Remembrance(of Allah), is obedience to Allah.

The one who is obedient to Allah, remembers Him(dhikrullah)

The one who is disobedient to Allah, is not remembering
Him(dhikrullah)

Sa'iid Ibn Jubair:

Whoever obeys Allah has remembered him.

Dhikr is of 2 types:

Remembering Allah with the tongue,

and remembering Allah at times of disobedience(and refraining from it)

Knowledge of Allah lends the believer to strive in worship of Allah.

Chapter 51 Verse 17-18

They used to sleep little by night, invoking Allah, and in the hours of the night, they used to seek forgiveness.

Ignorance(greatest form)- not giving Allah the just/ proper estimate.

Quran: Whoever honours the sacred things with Allah, that is better for him with his Lord.

Surah Nisaa:

Ignorance stems from improper knowledge of Allah, which leads to improper estimation of Him.

From Ouran:

Ignorance and foolishness;
Allah only accepts repentance from the one who commits sins out of these 2.

A slave only commits sin out of ignorance(This was the understanding of the Sahaabah)

Ibn Taymeeyah said:

Every disobedient person is ignorant, and every person with

awe/ fear (of Allah) has knowledge of Allah and is in obedience of Him.

Had the fear of Allah been perfected, you wouldn't disobey Him.

Bonus Chapter 6

The more you know Allah, the more you fear Him, Quran, Chapter 35 Verse 28.

It is only the 'Ulamaa that fear Allah.

The most knowledgeable of Allah was the Prophet (Peace Be Upon Him)

The Slave feels his small sin as a mountain.

The Sahaabah feared Allah the most(after the Prophets)

Muubiqaat- destructive sins.

Don't look to the smallness of your sins, look to the Greatness of The One you are disobeying.

If Satan/ Shaitaan cannot get a person to sin, he will try to get him through riyaa/ show off and pride.

Imaam Ahmed on his death bed said "Laa ba'd(not yet)...". He said "(the Shaitaan) Iblees stood by my feet biting his fingers saying futtanee; you were saved from me, (he wanted Ahmed to feel proud)"

Ahmed said:

Not yet, not yet, not until I die.

One of the fruits of true Imaan, is that at death, Allah will make a believer firm against Satan

Firm saying, in this world, is saying the kalimah(statement of Tawheed) at death and being able to answer the 3 questions in the grave.

One of the salaf(Abu Bakr) said all the names of Allah until he died(not Abu Bakr Siddique)

Baqarah 2: 132- 133

"Die not except in Islam(with the statement of Tawheed)"

The most fruitful end is to die in Islaam

Bonus Chapter 7

Husna- the best, most perfect & most beautiful

In 4 places, Allah mentions that His Names are Al Husnaa Surah A-raaf Chapter 7, Verse 180 Surah Israa Chapter 17, Verse 110 Surah Taha, Chapter 20 Verse 8

Surah Hashr Verse 24

Husnaa

 All Allah's names indicate and affirm His perfect attributes, they are names as well as attributes.

Allah is glorified above having names without meaning.

Allah's name is Al Qawii- it implies that He is The Most Strong, neither preceded by weakness or ending.

Al Hayy; Perfect living not preceded by non-existence nor ending.

His name Al Hayy implies his knowledge...

Al 'Aliim

The knowledge is not preceded by ignorance nor is it ended by forgetfulness
